Within ten (10) calendar days after submission of said grievance, the Director of EMS or his designated representative shall render a written decision via email or in writing to the employee and his representative, if represented, within ten (10) calendar days.

Arbitration shall be before the Connecticut State Board of Mediation and Arbitration except that all grievances concerning suspension of ten (10) days or more and discharge, and any other grievance on which the parties mutually agree, shall be submitted to an arbitrator who is either mutually selected by the parties or selected in accordance with the procedures of the American Arbitration Association. In the case of arbitration by a private or AAA arbitrator, the parties shall share equally the cost of arbitration. The decision of the arbitrator(s) shall be final and binding on both parties.

SECTION 3. All grievances and answers thereto shall be set forth in writing via email.

SECTION 4. Nothing contained therein shall prevent any employee from presenting his own grievance and representing himself in these procedures up to, but not including, arbitration.

SECTION 5. Failure at any step to appeal within the prescribed timelines shall be considered acceptance of the decision rendered.

Accrued vacation earned prior to the implementation of this Agreement shall not be forfeited.

SECTION 4. Holiday and vacation day bids will be conducted prior to the start of new assignments. Requests for holiday or vacation time will be open for submission 30 days prior to the start of new assignments, and will close 10 days prior to the start of new assignments. For purposes of computing vacation leave, employees who leave the Town service and are later restored shall be considered as new employees.

SECTION 8. Employees who resign in good standing or who are laid off for lack of work after employment of nine (9) months or more or who have retired from the Town service shall be paid for any unused vacation leave that has accrued to their last day of service. For the purposes of this Section, to resign in good standing, an employee shall give the Director of EMS a minimum of fourteen (14) days prior working notice unless the Town Manager agrees to permit a shorter period of notice. Said notice shall be in writing to the Director of EMS by the employee stating reasons for leaving the employ of the Town. Normally, leave time shall not be granted during said required period of notice.

ARTICLE 9

SICK LEAVE

SECTION 1. Amount of Sick Leave. Each regular full-time employee whose normal work week is thirty six (36) hours or more shall be eligible for sick leave with pay during and after his or her probationary period. Sick leave for regular full-time employees shall be computed on an hourly basis at the rate of 8 hours per month for each full month worked, or ninety six (96) hours per year with no limit on the number of hours accumulated for the purpose of illness as described in Section 2 below. Full-time employees hired before September 30, 2008 shall be credited with 10 hours of sick leave per month. Sick leave shall be charged in units of not less than fifteen (15) minutes.

SECTION 2. Use of Sick Leave. Sick leave may be used for the following purposes:

- A. Personal illness or physical incapacity.
- B. Enforced quarantine in accordance with health regulations.
- C. For illness or physical incapacity in the employee's immediate family, limited to three (3) days for each illness.

SECTION 3. Proof of Illness.

- A. In the event of three (3) or more consecutive days of absence on authorized sick leave, a doctor's certificate or other proof of illness shall be required, prior to the return to work.
- B. In the event of more than three (3) one (1) or two (2) day absences on authorized sick leave, a doctor's certificate or other proof of illness shall be required, prior to the return to work.
- C. The Town may investigate any absence for which sick leave is requested.

SECTION 4. Report of Illness. On the first and each subsequent day of absence from work due to illness, the employee shall report his or her illness to his immediate supervisor not later than three (3) hours before his or her scheduled work assignment. In the absence of an on-duty supervisor, an employee shall follow the notification procedures in the General Procedures. The immediate supervisor shall initiate an absence report form and forward such form to the Human Resources Department after the employee's return and it shall become part of the employee's personnel file.

SECTION 5. Sick Leave Accumulation Upon Retirement. Any employee who is at least 55 years old and has 10 years of service as an employee of the Town, who retires from the Town service on, after, or before his or her normal retirement date, shall have one-quarter of his or her total accumulation of sick leave time transferred to his or her vacation time for the purpose of separation pay at the current rate of pay. (e.g. 1/4 of 960 hours = 240 hours).

SECTION 6. Sick Leave Accumulation Upon Termination. Upon termination in good standing, for employees who do not meet the definition of Retirement in Section 5 above, one-quarter (1/4) of the employee's total accumulation of sick leave shall be transferred to the employee's balance of unused vacation time for the purpose of separation pay up to a maximum of one hundred and sixty (160) hours. Termination in good standing means that the employee has voluntarily resigned his/her employment and given the employer at least two (2) weeks of notice.

SECTION 7. Payment Upon Death. In the event of an employee's death, his spouse, and/or beneficiary, and/or minor children shall receive, on the basis of the employee's current wages, full compensation of any unused accumulated sick leave to a maximum of nine hundred and sixty (960) hours as severance pay.

SECTION 8. Sick Leave Policy.

Sick leave is not to be used to extend vacations or to be treated as a personal day or day off. Regular doctor's office visits for physical examinations, dental exams, eye exams, etc. are not proper uses of sick leave. Regular doctor's office visits for physical, dental or eye examinations may be properly charged to personal leave or vacation leave. Medical examinations for treatment of an ongoing illness or condition may be charged to sick leave.

The Town bears a great expense when an employee is absent from work. In some instances, the Town not only loses the employee's contribution for that day, but also incurs the cost of replacing that employee on an overtime basis. It is expected that employees will need to use sick leave at some point during their careers with the Town, but it must be stressed that their attendance is critical to the proper functioning of government and the delivery of services to the residents of Enfield.

Employees absent from work for more than three (3) consecutive days will be notified that they are being placed on Family and Medical Leave.

Investigation of Sick Leave Usage. The Town reserves the right to investigate any use of sick leave for which a supervisor determines that there might be an abuse of sick leave. An abuse of sick leave is the use of sick leave for any purpose other than that which is allowed above or by contract. An abuse of sick leave will result in disciplinary action regardless of whether or not the employee has received a notice of sick leave usage, as described below.

Neutral Attendance Policy. Absences beyond six (6) occurrences of sick leave in a year is considered excessive and will be addressed as follows:

- a. Each employee's attendance will be reviewed in January of each year for the previous calendar year. If an employee has had more than six occasions of sick leave in the previous calendar year (exclusive of any sick leave taken while the employee was on Family and Medical Leave Act leave). An occasion can be part of one day, one day or the use of sick leave for multiple days as long as they are consecutive and not interrupted by a return to work or use of another form of leave or leave without pay. The department head or his designee will meet with the employee and discuss the excessive amount of sick leave. In the absence of extraordinary circumstances, the department head will issue the employee a notice of sick leave usage, which will state that the employee's use of sick leave will be monitored for the next six (6) months. In the event that the employee has more than three (3) occurrences during the six month period of time that the

employee is being monitored the employee will be subject to disciplinary action, which shall include as a minimum a one (1) day suspension without pay. Prior to the issuance of a suspension letter the department head or his designee will meet with the employee to again discuss the excessive absences. If the employee's attendance fails to improve over the next six (6) month period using the above standard, additional disciplinary action, up to and including, the termination of employment may be imposed. Again, this notice will be issued to the department head for issuance to the employee.

b. Extraordinary circumstances for which a department head or his designee may determine that a sick leave usage or disciplinary action notice will not issue include:

- the need for an employee to attend repeat therapy sessions for the same injury,
- a re-occurring serious illness
- a need for ongoing medical treatment for an illness
- or other reasons which in the department head's judgment, justify excusing the employee from their regular duties during work hours for treatment.

Proof of Illness. The Town may investigate any absence for which sick leave is requested and a doctor's certificate or other proof of illness shall be required upon request from the employee's department head.

Report of Illness. On the first day of absence from work due to illness, the employee shall report his illness to his immediate supervisor not later than thirty (30) minutes after his scheduled work assignment. Department heads may require greater notice for their individual departments. The immediate supervisor shall initiate an absence report form and forward such form to the Human Resources Department after the employee's return and it shall become part of the employee's personnel file.

ARTICLE 10

OTHER LEAVES

SECTION 1. Injury Leave. Injury leave, as distinguished from sick leave, shall mean leave with pay given to an employee due to absence from duty due to an accident or injury that occurred while the employee was engaged in the performance of his or her duties. Injuries arising out of an accident in the course of employment and while engaged in the performance of one's duties shall be reported immediately by the employee to his supervisor who shall make a full report on an Accident Report and Investigation Form to the Human Resources Director. Receipt of this report shall be a condition of payment of injury leave benefits. No payments shall be made if the accident or injury shall have been due to intoxication or willful misconduct on the part of the employee. In the event that an employee covered by this Agreement is injured while at work and, as a consequence of said injury, receives Workers' Compensation disability pay, said employee shall receive Workers' Compensation and supplemental pay

so that the employee shall be compensated at the employee's regular rate of pay prior to such injury or disease for a period not to exceed twelve (12) months. At the end of said twelve (12) months, such supplemental benefits shall cease. In the case of injuries causing temporary disability for periods of time less than seven (7) calendar days which are not wholly compensable under the Workers' Compensation insurance, the Town shall pay the employee's regular salary during the period of such absence. Lost time under injury leave shall not be charged to vacation or sick leave accruals. All employees shall continue to accrue seniority while on injury leave. It is recognized that the Town has a need to be informed of the status of an employee who is absent due to an injury compensable under worker's compensation. Therefore, the employee will comply with reasonable requests for reporting to his supervisor during any such period of absence.

SECTION 2. Jury Duty. Regular employees shall be granted leave of absence with pay for required jury duty. In such cases, the employee shall receive that portion of his regular salary which will, together with the jury pay, equal his regular salary for the same pay period. The employee shall notify his Department Head of the scheduled jury duty in advance on a request for leave form as provided in Article 6, Section 3. Employees on the night shift shall receive jury duty leave for the night shift before the day of jury duty and the night commencing on the day of the jury duty. When an employee scheduled for jury duty discovers before the commencement of the shift for which the employee has been granted jury duty leave the employee may opt to work his/her regular shift and not receive jury duty leave, in which case the employee who was scheduled to work in lieu of the employee on jury duty leave shall be relieved of that shift. If the employee who was scheduled for jury duty leave discovers that he/she is relieved from jury duty prior to the commencement of the shift for which he/she is scheduled for jury duty leave and opts not to work, the shift for which he/she has been granted jury duty leave he/she must use other accrued paid leave for that such and his/her jury duty leave will be rescinded.

SECTION 3. Funeral Leave. All full time employees working an average of thirty-six (36) hours per week over a 52 week period are eligible for three (3) days special leave with pay for death in the immediate family of an employee or the immediate family of his/her spouse. "Immediate family" for the purposes of this clause, is defined as parents, grandparents, spouse, brother, sister, child, brother-in-law, sister-in-law, aunt, uncle and any relation who is domiciled in the employee's household. A day, for the purposes of this section, shall be defined as an eight hour period for full time employees. The eligible period to use Bereavement shall commence the day following the date of death and conclude seven (7) days after the date of death.

SECTION 4. Military Leave.

- A. A regular, full-time employee working an average of thirty-six (36) hours per week over a 52 week period, participating in required field training in the Federal Reserve or National Guard shall be entitled to absent himself from his Town duties while engaged in such required field training. During this period, the employee shall be paid the difference, if any, between his regular and

military salary. Military leave shall not exceed thirty (30) days in any calendar year. An employee participating in such reserve military training shall give his supervisor or Department Head sufficient advance notice on a request for leave form.

- B. Employees entering the military service of the United States shall be entitled to indefinite leave without pay.
- C. On return from military service, an employee shall be reinstated in his former job and shall receive credit for the yearly increments awarded during his absence on military service provided that he reports for duty within ninety (90) days of his discharge from military service or from hospitalization arising from such service.
- D. The Town will pay to the employee's retirement fund the employer's annual assessment.
- E. No employee shall lose any seniority standing because of military service, including service in the National Guards or organized reservists.

SECTION 5. Training. With approval of the Town Manager, leave of absence with pay may be granted by the Department Head for the purpose of allowing a regular employee to participate in conferences, seminars, training courses, and official meetings which enhance the employee's value to the Town. If two or more employees request such leave at the same time, and only one employee can be accommodated, the leave shall be granted on the basis of a rotating seniority.

SECTION 6. Personal Leave. All full time employees working an average of thirty-six (36) hours per week over a 52 week period or more shall be eligible for a leave of absence with pay for a maximum of thirty-six (36) (effective July 1, 2019) hours per year, non-cumulative for the purpose of attending family obligations or other personal business which necessitates his or her attendance. An employee shall apply to his/her supervisor on a request for leave form in accordance with the provisions of Article 6, Section 3.

SECTION 7. Family Medical Leave. An employee may be granted a leave of absence without pay, in accordance with the Town of Enfield Family Medical Leave Policy (attached as Appendix F).

SECTION 8. Leave Without Pay. When the interest of the Town can be benefited, the Town Manager may grant a leave of absence without pay to an employee. The employee's position shall remain vacant, or be filled by a temporary appointment, until the expiration of such leave. Such leave shall not exceed a total of two (2) months, unless extended by the Town Manager. Employees returning from leave without pay will be assigned a shift assignment by the EMS Director until the next shift bid.

SECTION 9. Benefits While on Leave. If an employee is either on an approved leave of absence without pay for more than ten (10) working days in any calendar month, or is absent without leave for one (1) or more days in any calendar month without securing subsequent authority for such leave, he shall not accrue vacation or sick leave for that month. Any holiday occurring in conjunction with absence without leave, or without pay shall be forfeited by the employee. For any employee who is granted a leave of absence without pay, except for Family Medical Leave

under Section 7, for a period that exceeds one calendar month, such employee's insurance benefits shall terminate on the first of the month following unless such employee requests that his or her insurance benefits be continued and submits the full premium costs (both the employee's and employer's share to be paid by the employee) for such benefits to the Town for the period of such absence in a manner prescribed by the Human Resources Department. Sick and vacation leave will not accrue for any employee who is out of work for thirty (30) calendar days on a worker's compensation leave until said employee returns to work, either at regular duty or light duty capacity.

SECTION 10. Absence Without Leave. An absence of an employee from duty, including an absence for a whole or part of a day, that is not authorized by a specific grant of leave of absence under the provisions of this Agreement shall be deemed an absence without leave. Any such absence shall be without pay and will be subject to disciplinary action. Any employee who is absent from work for two (2) consecutive work days, or on two (2) separate occasions without notifying his or her Department Head of the reason for such absence or absences shall be considered to have resigned from the Town service and shall be terminated.

ARTICLE 11

HOURS OF WORK

SECTION 1. The regular hours of work for all full time bargaining unit employees shall be, on average, thirty six (36) hours or more per week. Schedules of hours, as determined by the Director of EMS, will be posted and bid every four (4) months, in accordance with EMS General Procedures, as amended from time to time. Employees are required to provide their department with a current telephone number that they can be contacted on both on and off duty.
